

Penguin Trek

Find me in the Academy

Trek through African Hall to find the Academy's colony of African penguins.

African Penguins ★

Spheniscus demersus

Native to the coast of South Africa and Namibia, these penguins are being bred in captivity as part of the Species Survival Plan program.

Penguin Trek

At-home activity

Continue learning by watching our live penguin feeding program at home.

You will need

- Access to a computer, internet and speakers.

Directions

- Go to www.calacademy.org/webcams/penguins
- Listen during feeding times (everyday at 10:30 am and 3:00 pm PST) as Academy biologists answer questions from visitors. Audio is only available during these times.
- Describe to your child what you see. Encourage your child to also share their observations.
