

# Teacher Workshop Schedule

Academic Year 2009-2010

## Registration

Teachers are able to register for workshops **online** or by calling the Contact Center at 800.794.7576. Most workshops are offered once in the fall and once in the spring, and cost a mere \$30. Contact Center Hours: Monday – Friday, 7:00 am - 6:00 pm; Saturday – Sunday, 8:30 am - 5:30 pm.

## Our workshops

The majority of our programs are hands-on workshops designed to give educators a suite of Academy-developed activities for use in the classroom. Notable exceptions include the UCMP Short Course and BioForum, content-rich symposiums tailored for teachers of middle school and high school. Grade-level appropriateness is indicated in parenthesis.
