Visit the **PLANETARIUM** and take a trip across the universe and back.

Check the planetarium entrance (L1) for times, programs, and passes. Show passes are available on a first-come, first-served basis. Special member passes available. Planetarium shows recommended for ages 7 and above.

AQ Aquarium (Lower Level) **L1** Level 1 **L2** Level 2 **L3** Level 3

Get a new perspective: talk to an Academy docent in an orange lab coat.

Schedule subject to change. Listen for announcements.

California Academy of Sciences

Upcoming Academy events

SELECTED HIGHLIGHTS

LECTURES AND WORKSHOPS

Delve into timely science topics, and meet experts in their fields through Academy lectures and workshops. Upcoming highlights include an update on stem cells with Bruce R. Conklin, M.D.; primate behaviors with Dr. Robert Sapolsky; and Conservation Photography workshops and excursions.

Visit www.calacademy.org/lectures for more information.

NIGHTLIFE

Thursdays | 6:00 PM – 10:00 PM | Ages 21+

Music, creatures and cocktails combine during weekly NightLife events. Each features a live band or DJ, along with a unique theme—from salsa dancing to sustainable seafood—adding a new dimension to your nocturnal Academy explorations.

PENGUINS+PAJAMAS SLEEPOVER

February 11 & May 19 | 6:00 PM – 8:00 AM

Why count sheep when you could count geckos, butterflies, sharks, and penguins? Now kids can camp out for a night at the Academy—and see the museum in a whole new light.

For kids ages 5+ and their adult chaperones.

For full schedule, details, and ticket information, visit www.calacademy.org/events.

NOT A MEMBER YET? JOIN TODAY AND SAVE.

Becoming a **member of the Academy** is easy. Just turn in your tickets and we will apply the value of today's visit toward a membership.

For details or to upgrade your tickets, visit us in the lobby or email membership@calacademy.org.
