

Specialty Tours at Private Events

Academy Tour

The Academy Tour covers 40,000 square feet of the greenest (and Platinum LEED Certified) museum on Earth!

Tours can be tailored to cover themes that align themselves with the Academy's mission: to explore, explain, and protect the natural world. The 45 minute tour can be in association with any evening rental event. The price is \$59 per person.

Behind-the-Scenes Tour

The Behind-the-Scenes Tour is the ultimate all access experience – get an exclusive, up close, and in-depth view of life at the Academy behind the glass!

The 45 minute includes access to the Vault which houses some of our most precious gems and minerals. The price is \$59 per person.

Academy Docents

Always wanted that degree in science? Our Academy Docents can teach your guests about science in action at the Academy. Areas of interests include the touchable Tide Pool, live animal demonstrations, specimen carts, and sharing some of nature's most surprising secrets!

Docents are available for 1.5 hours from the beginning of your event until 9:00pm. The cost is \$600.00 (flat fee) and supports the California Academy of Sciences programming
