

# Approved Caterers & Preferred Vendors

Updated August 2022

The Academy does require the use of approved caterers for your events and has curated an exclusive list of options for you to choose from.\* If you have any questions pertaining to green certification, food requirements, or menu selection, we'd be happy to help recommend the caterer best suited to your needs and budget.

Each caterer has been Academy trained to follow all of our policies and guidelines, and each carries the required insurance, health permits, and liquor liability insurance.

**\*Please note:** We are unable to approve any caterers outside of this list.
